FUTURITY

NO ENTRY FEE

Futurity is an event held in conjunction with the National Specialty. It is similar to a Puppy Sweepstakes except the nomination process is open only to breeders & co-breeders all of which must be members in good standing with the American Bullmastiff Association, Inc. (ABA). The owner and/or co-owner must also be members in good standing with the ABA or be published applicants for membership in the ABA prior to the 6th month birthday of the nominated puppy. Futurity entries must be handled by the owner, co-owner, a member of the owner or co-owner's family, the breeder or an amateur handler. If a handler is unable to physically handle their entry in a class, a substitute handler of his/her choice will be allowed providing they are not defined as a professional handler. A professional handler may handle a dog that they own, co-own & are breeder or co-breeder of record provided they are also an ABA member in good standing. In the case of a breeder winning more than one class, a substitute handler of his/her choice may be used providing they are not defined as a professional handler.

Breeders of Futurity nominated dogs are responsible for informing their owners on the correct entry procedures for the Futurity competition. The Futurity Chair or Show Secretary will not be held responsible for incorrectly entered Futurity dogs & will remain indifferent & impartial to any differences over winnings between breeder and/or co-breeder & the owner.

A Futurity involves a series of nominations prior to the date on which the Futurity is judged. Bitches that have been bred are first placed in nomination at a fee set by the ABA, prior to the whelping. After the puppies are whelped, one or more of the litter may be nominated at 12 weeks & 6 months of age. At 12 weeks, puppies can be nominated for 6 months & dropped from the Futurity, however puppies cannot be added at 6 months if they had not been nominated at 12 weeks. The only dogs eligible for entry in a Futurity are those whose nominations have been kept current in accord with the ABA Standing Rules for Futurity.

A litter can be nominated if it is whelped on or after March 1, 2012 & on or before February 28, 2018. The litter must be nominated prior to the whelping of the litter. The nomination process is completed in accordance with the ABA Futurity Standing Rules & must be completed by the breeder(s) of record or lessee of the bitch. The breeder(s) or lessee must be a member in good standing of the ABA & stay in good standing throughout the entire process up to the day of the event.

ABA National Specialty dates are subject to change. In the event that a litter is eligible for two national futurity entries, the breeder of the litter must select which entry they would like to nominate the litter for. The litter will only be eligible for one futurity entry at a National Specialty.

The Futurity class is considered a *second entry* in addition to a regular class for the National Specialty. Under the "additional class" section of the entry form, enter "Futurity" along with the proper age category. A dog *may not* be shown in a non-regular class without entry in a regular class. The entry fee for Futurity is paid from futurity funds so no fee is required from the breeder/owner to the Show Secretary. Therefore, no entry fee for Futurity is required.

CLASSIFICATION

The following classes will be provided for both dogs and bitches

6 Mos & Under 9 Mos • 9 Mos & Under 12 Mos • 12 Mos & Under 15 Mos
15 Mos & Under 18 Mos • 18 Mos & Older (when applicable)

The winners from these classes will then compete for Best Dog in Futurity & Best Bitch in Futurity

DIVISION OF ENTRY MONEY AS PRIZES

The Futurity funds will be split as follows: Forty-five percent (45%) will be divided equally among the (10) ten first place winners in each age group. Twenty percent (20%) will be given to both the Best Bitch in Futurity and Best Dog in Futurity. Fifteen percent (15%) will be retained by the ABA to cover reasonable Futurity expenses including those incurred from Show Secretary and/or administrative fees. Given the unusual occasion that the 15% holdback from the accumulated annual Futurity funds is not adequate to cover "reasonable expenses" directly associated with the futurity, the Board may approve an additional amount to be withheld. The additional amount would be withdrawn from the accumulated annual funds before the winnings allocations. If there is no entry in a class, then those funds shall be allocated *pro rata* amongst the remaining classes and to Best Dog in Futurity to Best Bitch in Futurity. These funds will not be allocated to the ABA holdback. All winnings go to the breeder and/or co-breeder of record.

MATURITY

A class to be judged on consistency of type in three generations of dogs. Dogs must be entered in a regular class on the regular entry form. All dogs must be identified at the time of entry. Class will not be divided by sex. A bitch or dog must be shown with a son or daughter & a grandson or granddaughter. (One dog per generation for a total of three dogs shown oldest to youngest.) The grandson or granddaughter need not be the offspring of the son or daughter. The Maturity is judged much like the Stud Dog or Brood Bitch Classes, except that the merits of all three generations are considered. Entries must be made on the following form.

2018 Special Event - Triathlon Rules

ENTRIES CLOSE ON: September 5, 2018 at 12:00 pm • Entries (FREE) to ABA 2018 Nationals
To be mailed to: Jack Onofrio Dog Shows, L.L.C. PO Box 25764, Oklahoma City OK 73125 •

Triathlon is an automatic entry & no fee will be assessed. If a dog is entered in all three disciplines, they are eligible to compete in Triathlon.

The Triathlon will be comprised of competition in 3 areas: 1) Conformation; 2) Standard Agility; 3) Obedience or Rally.

- Dogs must be entered in regular classes for Obedience or Rally & Standard Agility.
- Dogs will compete at the levels they are eligible for & additional points will be awarded for upper level classes.
- Teams participating in the Triathlon can choose to compete in either Rally or Obedience. However, scores will be adjusted to allow for the significant difference in level of difficulty & skills required between Rally & Obedience. For teams competing in both Rally & Obedience, the highest score earned will be counted. The better of the 2 scores in Obedience & Rally will be the one used in the totalling overall Triathlon Score.
- The same team of dog & handler must complete all 3 phases of the competition, with no exceptions. The handler must be a registered owner of the dog, or a member of the immediate family of a registered owner of the dog. To be eligible to participate, dogs must compete in a regular Standard Agility class, a regular Obedience class or a Rally class. Dogs will also compete in Triathlon Conformation. Placements will be determined by the total points earned & calculated as follows:

CONFORMATION

- Dogs will be judged according to the AKC standard, with the exception that spayed & neutered dogs may compete in Triathlon conformation.
- A judge will be appointed by the National Show Committee with the approval of the ABA Board.
- A total of 100 possible conformation points may be awarded by the judge, with dogs to be scored & placed according to points awarded.
- Any dog disqualified by the judge will receive no score.

OBEDIENCE

- Novice: Score divided by 2*
- Open: Score + 20 divided by 2*
- Utility: Score + 40 divided by 2*
- For dogs competing in both Open & Utility, the highest score earned will be used. For dogs competing in both Obedience & Rally, the better of the 2 scores will be the one used for the overall Triathlon score.

RALLY

- Novice: Score multiply by .45 • Advanced: Score multiply by .55 • Excellent: Score multiply by .65
- For dogs competing in both Excellent & Advanced, the highest score earned will be used: for dogs competing in both Obedience & Rally, the highest score will be used.

STANDARD AGILITY - REGULAR & PREFERRED JUMP HEIGHTS

- Novice: Score • Open: Score + 10 • Excellent: Score + 20
- Faults scored as follows: Failure (F) = 10 points; Refusals-run outs (R) = 5 points; Wrong course (W) = 5 points; Excusal (E) = No score (eliminating in ring, judge determines dog is out of control, leaving ring, course not completed) Time faults = 1 pt per second.
- For dogs competing in both Regular & Preferred agility - the highest score will be used.

NOTES

- For Rally & Agility, a maximum score of 100** is possible. Obedience has a maximum score of 200**, so the score is divided by 2. (**Before Triathlon adjustments for levels).
- There is a significant difference in difficulty between Rally & Obedience competition. Rally competition does not require the same skills as Obedience (i.e., in Rally, handlers may talk/encourage/praise dogs, give multiple commands, retry exercises & complete only a short sit or down stay exercise on lead. In Obedience, dogs work without multiple commands, encouragement/praise during exercises, exercises are not retried, dogs complete much longer sit & down stays off lead in a row of other dogs across the ring from their handlers.) So while a choice is given to compete in Rally or Obedience for the Triathlon, scores must be adjusted to reflect the level of difficulty for each.

By signing the entry form I (we) certify that the Junior Showman does not now, and will not at any time, act as an agent/handler for pay while continuing to compete in Junior Showmanship.

If Jr. Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Jr. Handler to the owner?
