WORKING DOG VERSATILITY (WDV)

APPLICATION FORM & POINTS SCHEDULE

ABA Member,

Congratulations on working countless hours with your dog to achieve a goal in obtaining a Working Dog Versatility title through the American Bullmastiff Association. The Working Dog Committee is dedicated in providing support to help you achieve your working dog goals. The bullmastiff is a well-rounded, versatile breed and we are here to celebrate your accomplishments with your dog.

The Versatile Dog title includes six (6) categories in which the title can be obtained. ONLY AKC Titles/Certifications are eligible for the WDV award with exception of a few *non-AKC titles (see below). The qualification of each level of WDV (1-4) requires varying numbers of points within the categories listed below. Refer to the Versatility level trying to acquire for required number of categories.

VERSATILITY CATEGORIES: *See page 3 for Category & Points Chart**

- **Standard** (2 or 3 required before Miscellaneous will be counted):
Obedience, Rally, Agility, Tracking, Conformation
- **Miscellaneous:** Barn Hunt, Canine Good Citizens, Coursing, FastCAT, Farm Dog, Dock Diving, Scentwork, Temperament, Trick Dog, Therapy Dog

*Applicant may substitute titles from another Standard category in lieu of Miscellaneous titles at each level.

Points for titles in each category are not cumulative. Credit is given for the highest title earned in each category. Agility is considered as one category with several divisions. The highest title for each division is recognized.

*Non-AKC titles will be assigned points on an as needed basis by the ABA Working Dog Committee. These titles can include, but not limited to herding, draftwork, flyball etc. It is the responsibility of the member to submit appropriate documentation detailing the training required, testing and requirements for titling for non-AKC titles.

Titles earned in each calendar year must be submitted on the appropriate forms no later than July 30 of the following year. For example, titles earned by December 31, 2019 and prior must be submitted no later than July 30, 2020 to receive the award at the ABA National Specialty in 2020.

It is the responsibility for the member to submit appropriate documentation detailing training required, testing requirements etc. for evaluation by the WD Committee.
