**2024 SPECIAL EVENT—TRIATHLON RULES • THERE IS NO ENTRY FEE**  
**MAIL ENTRY TO Jim Rau Dog Shows**

**AS AN "ADDITIONAL ENTRY" ON AKC ENTRY FORM LIST "TRIATHLON" IN THE ADDITIONAL CLASS BOX ON THE ENTRY FORM TO DECLARE YOUR DOG IS COMPETING IN THE TRIATHLON.**

**TRIATHLON RULES**

The Triathlon will be comprised of competition in three (3) areas.

1. Standard Agility (Regular or Preferred Jump Heights)
2. Obedience and/or Rally Obedience
3. Conformation

Dogs must be entered in regular classes for Obedience, Rally, and either Regular or Preferred Agility. Preferred, Graduate or Beginner Novice obedience classes will not be included in calculations for the Triathlon even if offered. Dogs may compete for all levels they are eligible for and additional points will be awarded for upper level classes. Dogs that achieve a qualifying score in obedience, rally and agility will receive 10 bonus points for each "Q". Teams participating in the Triathlon may choose to compete in Obedience and/or Rally. Scores will be adjusted to allow for the significant difference in level of skills and difficulty required between Obedience and Rally. For teams competing in both Obedience and Rally, the highest score earned will be counted. The same team of dog and handler must compete in all three phases of the competition with no exceptions. The handlers must be a registered owner of the dog or a member of the immediate family of the owner of the dog.

**CONFORMATION**

Dogs will be judged according to the official AKC standard with the exception that spayed and neutered dogs may compete in Triathlon competition. A judge will be appointed by the National Show Committee with the approval of the ABA Board. A total of 100 possible points may be awarded by the judge with dogs to be scored and placed according to the points earned. Each dog will be judged separately by the Triathlon conformation judge according to the official AKC Standard. The scores will be recorded by the judge in the Triathlon conformation score card that is provided. Any dog disqualified by the judge will receive no score.

**OBEDIENCE**

Novice: Qualifying score divided by 2 (if NQ actual points earned from official judges score sheet and divided by 2)

Open: Qualifying score + 15 divided by 2 (if NQ actual points earned from official judges score sheet +15 and divided by 2)

Utility: Qualifying score + 30 divided by 2 (if NQ actual points earned from official judges score sheet +30 and divided by 2)

For dogs competing in both Open and Utility or Novice and Open, the highest score earned will be used. If the dog has NQ'd in both Open and Utility or Novice and Open the highest score shall be used.

**RALLY**

Novice: Score multiplied by .4

Intermediate: Score multiplied by .425

Advanced: Score multiplied by .55

Excellent: Score multiplied by .65

Master: Score multiplied by .85

For Dogs competing in Advanced, Excellent and/or Master only the highest score earned will be used.

**AGILITY (Standard or Preferred jump heights)**

Novice: Score

Open: Score +10

Excellent/Master: Score +20

(F) Failure = 10 points

(R) Refusals/run outs = 5 points

(W) Wrong course = 5 points

(E) Excusal = No score (eliminating in ring, leaving ring, judge determines dog is out of control course not complete.

Time Faults = 1 point per second

There is a significant difference in difficulty between Rally and Obedience competition. Rally does not require the same skills as Obedience (i.e. in Rally handlers may talk/encourage/praise dogs, give multiple commands, retry exercises and complete only a short sit/stay upon command. In obedience, dogs work without multiple commands, without encouragement/praise during exercises, exercises cannot be retried, dogs complete much longer sits off lead). So while a choice is given to compete in Rally or Obedience for the Triathlon scores must be adjusted to reflect the difficulty for each.

## FUTURITY - THURSDAY

### NO ENTRY FEE REQUIRED

Futurity is an event held in conjunction with the National Specialty. It is similar to a sweepstakes except the nomination process is open only to breeders and co-breeders, all of which must be members in good standing with the American Bullmastiff Association, Inc. (ABA). The Futurity puppy owner(s) and/or co-owner(s) must also be members in good standing with the ABA **by the date of the applicable National Specialty OR be published applicants for membership in the ABA Newsletter prior to the sixth month birthday of the nominated puppy.** Futurity entries must be handled by the owner, co-owner, a member of the owner or co-owner's family, the breeder, or an amateur handler. Professional handlers, as defined by the Association, are permitted to handle Futurity entries only if they are the owner/co-owner, or the breeder/co-breeder of the Futurity entry provided they are also an ABA member in good standing. Futurity involves a series of nominations prior to the date on which the Futurity is held. Bitches that have been bred are first nominated at a fee set by the ABA, prior to the whelping. After the puppies are born, one or more puppies of the nominated litter may be nominated at Less Than 3 Months and Less Than 6 Months of age. **The only dogs eligible for entry in Futurity are those whose nominations have been kept current in accordance with the ABA Standing Rules for Futurity, effective March 1st, 2020.** A litter could have been nominated if it was whelped on or after March 1, 2023 and on or before February 29, 2024.

Breeders of Futurity nominated dogs are responsible for informing their owners on the correct entry procedures for the Futurity competition. The Futurity Chair or Show Secretary will not be held responsible for incorrectly entered Futurity dogs and will remain indifferent and impartial to any differences over winnings between breeder and/or co-breeder(s).

NOTE: ABA National Specialty dates are subject to change. In the event that a litter is eligible for two National Futurity entries (**current year and/or following year**), the breeder of the litter must select which National Specialty they would like to enter on the Litter Nomination Form at the time of submission. All decisions are final. The litter will only be eligible for one (1) Futurity entry at a National Specialty. If a puppy is past its 18-month birthday at a National Specialty due to the National Specialty being held later in the fall, that puppy will still be eligible for Futurity competition and will be entered in the 18 month and over class as specified in the Premium List.

The Futurity class is considered a second entry in addition to a regular class for the National Specialty. Under the "Additional Class" section of the entry form, enter "Futurity: along with the proper age category. **A dog/bitch may not be shown in Futurity without entry in a Regular Class.** The entry fee for Futurity is paid from Futurity funds, so no fee is required from the breeder/owner to the Show Secretary for this Additional Class.

Any questions should be addressed to the Futurity Chair, Valerie Vessey. [V\\_Vessey@yahoo.com](mailto:V_Vessey@yahoo.com).

  - Twenty percent (20%) will be given to both the Best Bitch in Futurity and Best Dog in Futurity.
  - Fifteen percent (15%) will be retained by the ABA to cover reasonable Futurity expenses
- If there is no entry in a class, then those funds shall be allocated pro rata amongst the remaining classes.* These funds will not be allocated to the ABA holdback. **STUD DOG CLASS** - For Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. ## **ABA STANDING RULES - AWARDS**

**BEST BRINDLE IN SHOW** - Best Brindle, an intersex class to be judged after Best of Breed, is open to all Brindles previously undefeated by another Brindle in a class during the judging of the regular or non-regular classes that lead to and include Best of Breed. This includes Veterans, but NOT Sweepstakes, Futurity, or any class where an award depends on more than one dog for placement.

Guidelines for choosing Best Brindle:

1. If the Best of Breed winner is eligible it will also be awarded Best Brindle.
2. If the Best of Breed winner is not eligible and the Best of Opposite Sex to Best of Breed is eligible, the Best of Opposite Sex to Best of Breed will compete against the eligible exhibits of the other sex to determine Best Brindle.
3. If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed is eligible for the Best Brindle competition and both the Select Dog and Select Bitch are eligible, the judge is to choose Best Brindle from the Selects, and if eligible, Winners Dog and/or Winners Bitch. If either Winners Dog or Winners bitch is not eligible, any class dog of that sex that was undefeated by a brindle will be included.
4. If one of the Selects is eligible for Best Brindle competition, excuse all eligible champions and non-regular class winners of the same sex and then choose Best Brindle from the remaining eligible dogs of the opposite sex including the eligible Winners. If the Winners dog or bitch is not eligible, any unbeaten class dogs of that sex will be included. If one of the Awards of Merit is eligible for Best Brindle then the highest placing eligible Award of Merit competes against any eligible class dogs unbeaten by a Brindle for Best Brindle.
5. If the Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch and all Awards of Merit are not eligible, the judge may choose any eligible dog who competed in Best of Breed including Winners Dog or Winners Bitch. If the Winners Dog or the Winners Bitch are not eligible, then any unbeaten Brindle class dog of that sex will compete against any remaining dogs.

**BEST PUPPY IN PUPPY CLASS – For the Parent & National Specialties** - First Place Winners in each regular puppy class will compete for Best Puppy in Puppy Classes after Best of Breed judging. Only entries in Puppy 6 mos & Under 9 Mos month or Puppy 9 Mos & Under 12 Mos are eligible.

**For the Independent Specialty on Monday only** - First Place Winners in each regular puppy class AND the Best Bred by Exhibitor Puppy from the BBE 6 and under 12 month class will compete for Best Puppy in Puppy Classes after the Best of Breed Judging.....

Guidelines for choosing Best Puppy in Puppy Classes:

- A puppy winning Best of Breed is automatically awarded Best Puppy in Puppy Classes.
- A puppy awarded Best of Winners defeats all other puppies of both sexes.
- A puppy awarded Best of Opposite Sex to Best of Breed or Winners Dog/Bitch defeats all other puppies in that sex.
- A puppy awarded Reserve Winners Dog/Bitch defeats all other puppies in that sex if another puppy has not been awarded Winners.
- A puppy selected for an Award of Merit defeats all other puppies not previously selected for a higher-level Award.

**BEST BRED-BY-EXHIBITOR** – Bred-by-Exhibitor Puppy & Bred-by-Exhibitor Adult class winners in each sex will compete for Best Bred-By-Exhibitor after Best of Breed judging. A Bred-by-Exhibitor Puppy or Adult class winner awarded Best of Winners or Best of Breed is automatically awarded Best BBE. A Bred-by-Exhibitor Puppy or Adult awarded an Award of Merit defeats any BBE not selected for a higher-level award. In any subsequent classes for which a dog from Bred-by-Exhibitor Class becomes eligible, there are no restrictions as to who may handle.

**BEST VETERAN DOG** – First Place winners in each veteran dog class will compete for Best Veteran Dog.

**BEST VETERAN BITCH** – First Place winners in each veteran bitch class will compete for Best Veteran Bitch.

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
